

NAMED ACCOUNTABLE GP

From 1st April 2015, all practices are required to allocate a named accountable GP to all patients.

All patients at Bosworth Medical Practice have a named, accountable GP who is responsible for patients' overall care at the practice.

Your named GP has been allocated to you by the practice. If you have a repeat prescription you can find the name of your allocated GP at the bottom of this. If you do not have a repeat prescription and you wish to know who your allocated GP is, please contact the practice.

You can still talk to or make appointments to see any of our doctors or nurses, not just your named GP.

If you have a preference to a particular GP at the practice, please talk to one of our receptionists. We will do our very best to accommodate your request, although this cannot be guaranteed due to the different workload of our GPs who work full time and part time. .

New patients will be given their named accountable GP at the point of registration by the receptionist

Rest assured that this will not impact your experience at the practice, the provision of appointments, or what GP you can see.
